# A few details, then we can help.

Complete the fields below, save this PDF, and attach it to your email reply.
Please also attach a clear photo or PDF of your prescription if requested.

**Order number**

Use the order number from your support email.

**Your name**

**Pupillary distance (PD), in millimeters**

Enter your existing measurement, exactly as provided (for example: 62 or 31 / 31).

If you do not know your PD, leave the field blank and tell us in your email.
Please do not guess a measurement. Our team can help with the next step.

**Date completed**

For example: October 18, 2026

---

**What happens next**

Your support agent will collect your information and coordinate with the review team.
Submitting this form does not confirm that a prescription has been clinically reviewed.
